Subject: Re: Compliance Letter

Thank you Ivan and EPA compliance friends.

Hopi Utilities Corporation reports that the Hopi Arsenic Mitigation Project is on schedule to deliver SDWA compliant water substantially before the administrative order date of December 2023.

Hopi village management and water operation staff are currently tasked with many unanticipated challenges but keeping safe drinking water and critical sanitation water flowing as a priority.

Excellent work FMCV.
kwa kwa,

TIM
Hopi Utilities Corporation

Emmanuelle, Karly ~

Could either of you please let Ivan Sidney the director of the Hopi, First Mesa Village Corporation (FMCV) who he should submit his compliance plan quarterly report.

Stay safe and have a good day.

Ivan~

I'm afraid I do not know, is this with their water or wastewater side?
